

## Telemedicine

**About:-** Due to good Health care infrastructure, health status better than national status. Telemedicine is the one sector, by which people living in remote places are getting specialist doctor's advice

Health Indicator	Status	
	National	Tripura
Birth Rate	23.80	16.00
Death Rate	7.60	5.70
Infant Mortality Rate	58.00	31.00
Maternal Mortality Rate	4.97	4.00
